CARBONE
ARIZONA STATE HOUSE

I'm Michael Carbone, your representative for Arizona Legislative District 25. I've always believed in transparency and accountability, which is why I'm sharing with you how I've voted on key issues that matter most to our community.

Michael Carbone's Proven Conservative Voting Record

PERSONAL FREEDOM

I believe in **protecting individual rights and liberties**. I've consistently voted against government overreach and unnecessary regulations that restrict personal freedoms. Whether it's defending our Second Amendment rights or fighting for parental choice in education, I will always stand up for the freedom of my constituents.

LIMITED GOVERNMENT INTERVENTION

I strongly believe that limited government intervention is key to a thriving economy and society. I've supported legislation that **promotes a free market and reduces unnecessary regulations on businesses**. I have also worked to streamline government processes and cut red tape, making it easier for individuals and businesses to thrive in our district.

EDUCATION

I've consistently voted for policies that increase school choice and empower parents to make decisions about their children's education. I will continue to advocate for better funding and resources for our public schools, as well as supporting innovative solutions to **improve the overall education system in Arizona**.
