

Today, Monday 7 October 2024, is **THE LAST DAY TO REGISTER TO VOTE IN ARIZONA!** Get everyone not only to register to vote, but those who are registered, to check their voter status to make sure that they are good to go.

**Over the past years, I have worked tirelessly to advocate for the needs and rights of our Legislative District 25 community.**

Whether it's fighting for school choice, securing our borders, or ensuring financial accountability within the state, my commitment to you has been unwavering. Together, we have made significant strides, but there is still much to be accomplished.

With your support in the upcoming general election on November 5th, we can continue our important work and build a brighter future for Arizona.

Let's seize this opportunity to strengthen our district and uphold our shared values.

**Education** should be an empowering experience for both parents and students, which is why I have tirelessly advocated for policies that bolster parental involvement and improve educational outcomes for our children. My commitment to expanding school choice and protecting the Empowerment Scholarship Accounts (**ESAs**) ensures that families can select the best educational settings tailored to their children's unique needs.

### **BORDER ISSUES**

Our district, and Arizona as a whole, faces unique challenges when it comes to **border security**. My support for the Secure Border Act and other legislative actions underline my commitment to maintaining the integrity of our borders and responsibly managing immigration to protect Arizona's interests.

**A balanced state budget is critical for the fiscal health and future prosperity of our state.** I am proud of my record of addressing our \$1.3 billion deficit through strategic spending cuts without increasing taxes on hardworking Arizonans. By ensuring that we spend responsibly and eliminate wasteful expenditures, I am

committed to maintaining a fiscally sound budget that supports our state's long-term growth and success.

Furthermore, it is my responsibility to uphold the traditional values that many in our district hold dear.

This includes advocating for Second Amendment rights and pro-life policies, ensuring that Arizona maintains its commitment to fundamental freedoms and human dignity.
