

As we approach the end of this election season, I want to take a moment to reflect on the past four years.

Ask yourself: Are you better off now than you were four years ago?

I know many of my family and friends, as well as our great state of Arizona, have faced challenges and struggles during this time.

That is why it is crucial that we make our voices heard by voting in the General Election on November 5th.

- Early voting ended Friday.
- If you still have your early ballot, I urge you to not mail it or put it in a dropbox.
- INSTEAD, go vote in person on Election Day (November 5th, 2024).

If you haven't voted yet, please make sure to do so on Tuesday, November 5th.

Your vote matters and can play a significant role in shaping the future of our state.

HELP KEEP ARIZONA STATE HOUSE RED

I want to express my deepest gratitude to everyone who has come out to support our country, our state, and our district by voting early and giving of your precious time to help our Republican Party during this election season.

My achievements and ongoing efforts underscore my dedication to enhancing the quality of life for all Arizonans, especially those in LD25.

Your dedication and hard work, especially as volunteers, have been invaluable in helping our candidates in this general election.

It's because of your commitment and passion that we are poised for victory this year!

Sincerely,
Michael Carbone
