

I hope you are doing well. Today, I want to update you on some more important legislative initiatives that I have been working on, which are critical to the future prosperity and integrity of our state. From clean elections to border security and protecting Arizona, these efforts are designed to enhance the quality of life for all Arizonans.

Border Security

The security of our state is paramount, and addressing the border crisis is a major priority.

To tackle this issue, I have co-sponsored several bills designed to strengthen border security and support our law enforcement agencies.

Some of them are:

- [HB2622](#)- **Drug cartels: labeled terrorist organizations**
- [HB2821](#)- **Illegal Border Crossings a State Crime**
- [HCR2060](#)- **Illegal Entry from Foreign Nations**

Protecting Arizona

Ensuring the safety and security of all Arizonans is a top priority in my legislative agenda. It is crucial that we take proactive steps to protect our communities from various threats, ranging from criminal activities to foreign adversaries.

Keeping Arizona safe not only enhances the well-being of our residents but also boosts our state's economic vitality and quality of life.

- [HB2436](#): Also known as "Protection Procurement Act" aims to protect the state from potential national security threats posed by foreign adversaries. It requires companies seeking to do business with the state to disclose any past or current business operations involving contracts with or services from a foreign adversary, as well as any subsidiaries or affiliates of the company.

Clean Elections

I believe in the power of a fair and transparent electoral process, which is why I am proud to be a co-sponsor of several bills aimed at strengthening clean elections:

- [HB2768](#): My co-sponsorship of this bill demonstrates my commitment to clean and fair elections, as it aims to strengthen the enforcement powers of the Arizona Clean Elections Commission.
- [HB 2785](#): This bill focuses on **making the signature verification process more robust**, military ballots making it to their destinations and back on time so **military votes are counted**, ensuring that our **state electors are delivered on time** by **providing enough time for re-counts** (if needed) and making sure that **system log files are posted within a timely manner** for accurate follow-up.

HB2785 ELECTION BILL

**IMPROVES ELECTION PROCEDURES.
STRENGTHENS VOTER CONFIDENCE.**

THE ISSUES

NEEDED: ROBUST LEGALLY BINDING SIGNATURE VERIFICATION STANDARDS IN LAW.

NEEDED: AN EQUAL PLAYING FIELD WHEN CURING BALLOTS.

NEEDED: INCREASED VOTER ID DURING VOTING EARLY.

NEEDED: ENSURE THAT MILITARY OVERSEAS WILL BE ABLE TO VOTE.

NEEDED: ENSURE THAT ARIZONA'S ELECTORS WILL BE DELIVERED ON TIME.

HAD WE DONE NOTHING...

ABANDONMENT OF SIGNATURE VERIFICATION (LIKE IN 2022)

DEMOCRATS WOULD STILL HAVE ADVANTAGE IN THE BALLOT CURING PROCESS.

MILITARY BALLOTS AT RISK OF MISSING COUNTY DEADLINE

RISK OF ELECTORS NOT GETTING TO DC TO CERTIFY PRESIDENT TRUMP (ALLOWING THE DOJ TO TAKE OVER RECOUNT)

THE WINS

WE NOW HAVE A SIGNATURE VERIFICATION PROCESS IN LAW

REPUBLICANS NOW GET A LIST OF ALL MAIL BALLOTS WITH MISMATCHED SIGNATURES

WE NOW HAVE A MORE EVEN PLAYING FIELD IN BALLOT CURING

HARD COUNT AND CHAIN OF CUSTODY FOR MAIL BALLOTS DROPPED OFF NOW REQUIRED BY LAW

SYSTEM LOG FILES POSTED WITHIN 48 HOURS

By focusing on these key areas, we can build a brighter future for Arizona.

I am committed to working tirelessly on behalf of our district to ensure that we have clean elections, border security, and protecting Arizona.

Thank you for placing your trust in me. Together, we can continue to make Arizona a model for the rest of the nation.

Warm regards,
Representative Michael Carbone
